About the Carr Symposium

The Carr Symposium at Mayo Dental Reviews features a printed poster session and selected five-minute podium presentations. The competition is open to dental clinicians, anaplastologist researchers, and others who are learners in an accredited training program.

Submission Highlights

- Case reports, original research, literature reviews, and other scholarly work are welcome.
- All submitted abstracts will be presented as printed posters.
- The top eight abstracts will be selected for podium presentations and will receive waived tuition for Mayo Dental Reviews.
- The top eight presenters will compete for four awards recognizing integration, innovation, Mayo Values, and pioneering work.

Mark your calendar: Abstracts open December 1, 2026.

Additional submission instructions and event details will be provided in the formal call for abstracts. Please email Sarvas.elise@mayo.edu to be put on the announcement email list.
